

# PE Update

## Summer Term 2019- 2020

An update to explain what Croft Community School have spent

Sports Premium on and the impact of this.

**Sports Premium Total Annual Allocation:** £16,478

### **Breakdown of spending**

Service Level Agreement (SLA): £2000

SLA CPD and cover for CPD: £1600

AfPE membership: £111

Trampoline: £3400

CPD Trampolining Level 2 Instructor: £500

PE Equipment: £3085

Sports Hall Projector: £4772

Sound system: £950

Team kit: £60

### **SLA and CPD**

During the lockdown and Coronavirus, staff have accessed CPD over Teams. This includes Outdoor and Adventurous Activity training and a number of network meetings. Staff have access to Net and Wall game training later in the Summer Term. PE coordinator has attended all subject leader meetings. Staff have also accessed dance training and Primary Teachers FA Award. This means that the Sports Premium is used on sustainable resources to upskill staff in order to deliver high quality lessons on a variety of sports.

PE subject lead has completed L2 Trampolining qualification and the other PE teacher is currently L1 trained as L2 was cancelled due to Corona virus. This has meant that Trampolining has been added to the curriculum, making it broad, balanced and personalised to the strengths of the students at Croft. It has also meant that Trampolining has been used for interventions and enrichment activities.

### **SLA Festivals**

Festivals were cancelled due to the Coronavirus, these will be attended as soon as safe to do so.

### **Interschool competition**

Croft and The Oaks took part in a Basketball game, hosted at Croft Community School.

- 
- 

- **Sports equipment**

- Sports premium has enabled us to purchase a competition size trampoline. This was due to be delivered to school prior to lockdown, however, due to the coronavirus it was unable to be delivered. This will be chased up as soon as we are back to school.
- Speaker has been delivered to school which will allow for better quality PE lessons, especially in Dance and Health related fitness/circuits.
- The other equipment is yet to be ordered due to school closures.
