

Evening Everybody

Another class will be opening at Croft next week. This means we will need more staff in school to work with them. It will also mean that testing in school will take longer. Both of these factors will have an impact on the remote learning timetable and the number of lessons teachers will be available to conduct these live lessons.

Yellow boxes on the timetable are when teachers are unavailable as they are in school. Red boxes are for when teachers are absent. Mr Nutt, who normally works in the Primary department will be in school supporting classes and will be available to lead some online lessons on Tuesday, Wednesday and Friday. He is covering Miss Herkes' lessons.

Classroom support assistants will still be available online to support learning for the lesson that your child has on their timetable and teachers will record some lessons that pupils can access from the POSTS part of your child's class TEAMS account. Please check the POSTS for these lessons.

If you have any questions please get in touch via the school email address.
